## Junior Software Developer

I'm an enthusiastic and tech savvy individual striving for an entry-level position as a software developer or engineer, but preferably Front End Development. Currently, I am studying Chemical Engineering at the University of Loughborough so this degree has sharpened my problem solving skills and my attention to detail. You can find some of my projects on my instagram blog page :<https://www.instagram.com/everything.webdev/?hl=en>

## Education

2019-09 - 2023-06	<b>BSc (Hons): Chemical Engineering</b> <i>Loughborough University - Leicestershire</i> GPA: :2, in the first year which included a first class in Process Balances and Stagewise Processes
2017-09 - 2019-06	<b>Some College (No Degree): Maths, Chemistry, Economics</b> <i>Cardinal Pole Sixth Form - City Of London, LND</i> Mathematics(A), Economics(A) and Chemistry(B)
2012-09 - 2017-06	<b>GCSE : 10 A*s - Bs</b> <i>Cardinal Pole Catholic School - London</i>

## Work History

2020-06 - 2020-09	<b>Parcel Sorter</b> <i>Parcel Sorter, Yodel, London</i> <ul style="list-style-type: none"><li>Sort the parcels coming in on a conveyor belt to make sure they are placed in the correct van for delivery</li><li>Using a scanner, I oversaw counting the inventory for each day</li><li>Maintaining high working standards in a fast paced environment, allowing to consistently exceed the daily packing targets.</li></ul>

## Sales Advisor

*Chelsea Football Stadium, London*

- Helped customers complete purchases, locate items and join reward programs.
- Restocked and organised merchandise in front lanes.
- Maintained secure cash drawers, promptly resolving discrepancies in daily totals.
- Listened to customer details and offered matching solutions to meet wide range of requirements.

2017-09 -  
2018-09

## Hospitality Staff

*Compass Group , London*

- Worked as part of a team where our main goal was to deliver a memorable experience to the guests.
- Collaborated effectively with team members in a high-pressure environment to deliver customer orders promptly, accurately and with care.
- Updated customer accounts with add-on room charges, minibar use and room service bills.

## Interests

---

Football - I am captain of my Saturday league football team, Loughborough FC.

Coding Club - I am part of the Loughborough coding club called the CodeLab where we meet once a week to do new coding challenges for prizes and further develop on our current skills.
